2012	A new floor was installed in the schoolhouse.
2016	The bell in the clock tower was turned 180° during the September afternoon tea held for the Fairbridge Chapel Association members by the Fairbridge Strata residents. This is a requirement for old clock bells and should be done approximately every 150 years. The Fairbridge Chapel clock bell was cast in 1876.
2017	A number of improvements were made at the historic site including repairing the cement steps and landings, new eve troughs installed on both buildings, painting all trim including around the windows and top of the clock tower as well as the removal of some large Douglas fir trees.
2018	The lawns of the historic site were de-thatched and new grass seed applied throughout and the irrigation system repaired.
